SUBJECT : Invitation to DCI to Attend [REDACTED]

25X1A 1. Des FitzGerald called today and mentioned that he had talked with the DCI regarding the Director's possible presence at [REDACTED]. The DCI expressed an interest in attending and Des requests that Dr. Gottlieb send the Director a memorandum inviting him to attend [REDACTED] specifying time and place of the Seminar and giving the Director options as to when he might wish to be present during the period involved.

25X1A 2. Des mentioned that it is perfectly possible that the Director might not come and I assured him that TSD was most flexible on this score.
